

Welsh Language Policy

Ysgubor Fach is a bilingual Nursery that incorporates the Welsh language on a daily basis in an incidental manner.

All staff will be Welsh speakers so they are better equipped to use Welsh within our day to day activities. Ysgubor Fach is equipped with Welsh resources such as story books, props, songs and much more.

Further ways in which Welsh is incorporated are:

- Discussing the weather
- On display boards,
- Discussing food,
- Speaking about parts of our bodies,
- Discussing colours, days of the week, months.
- In general conversations,
- Any written material will be made available bilingual whenever necessary.

Our Policies and Procedures are reviewed yearly.

Many Thanks,

Eleri Thomas
